

## HARVARD UNIVERSITY

### **Do you experience thoughts or feelings related to suicide?**

Researchers at Harvard University are seeking adults (18 years or older) to participate in a study aimed at understanding thoughts and feelings people experience that are related to suicide.

- Eligible participants will be paid for participation in this confidential study.
- Participation involves completing a brief interview and self-report packet, four sessions of 30-minute computer tasks, and brief follow-up telephone interviews
- To learn more, please contact Christine at (617) 496-8563 or e-mail [ccha@wjh.harvard.edu](mailto:ccha@wjh.harvard.edu)
